

Laurel School District's procedure for receiving and processing Civil Rights complaints alleging discrimination within our Child Nutrition Program is as follows:

### **Right to File a Complaint**

Any person alleging discrimination in the Child Nutrition Program based on race, color, national origin, sex, age, or disability has a right to file a complaint within 180 days of the alleged discriminatory action. The Secretary of Agriculture or his designee may waive the 180-day filing deadline for good cause. The reason justifying the waiver must be documented in writing in the complaint file.

None of the procedures set forth by the Laurel School District will prevent a civil rights complaint from being accepted.

### **How to File a Complaint**

All civil rights complaints regarding the Child Nutrition Program in the Laurel School District should be directed to Candace Henderson. Frontline staff will be instructed on how to handle complaints appropriately should they receive a complaint.
